## ***Update on the Illinois Pollution Control Board***

*With Special Guest Speaker,*

***Katie Papadimitriou, Chairman  
Illinois Pollution Control Board***

The A&WMA Lake Michigan States Section and the Union League Club Environmental Committee are pleased to invite you to join us on Tuesday, October 16, 2018 for a presentation by Katie Papadimitriou, Chair of the Illinois Pollution Control Board. Ms. Papadimitriou will provide an overview of the role and process of the Board as it pertains to rule making, permitting and enforcement. She will also update us on her vision for the Board and issues they are currently addressing.

Chairman Papadimitriou was appointed by Governor Bruce Rauner in January 2017. She brings government and private sector experience in highly regulated industries to the Board, focusing on state and federal regulatory policies with an emphasis on deregulated energy markets and the convergence of energy and the environment. Her wide-ranging private sector experience includes: providing strategic guidance and execution to data analytics firms in the clean energy sector; developing corporate regulatory and legislative strategies; and leading business development and corporate strategy.

She also has held positions with the Illinois Commerce Commission, the Illinois Pollution Control Board, and other Illinois state agencies.

Katie has an A.B. in Political Science from the University of Chicago, where she graduated with honors, and an M.S. from the Illinois Institute of Technology.
